The President's *STEERING COLUMN*

Vice President: Mary West
Secretary: Don Andersen, taking over from Bill Hallett
Treasurer: Greta Justad, taking over from Eric Larson
Newsletter: Odd Justad
Webmaster: Assuming Tom Noller will continue as Webmaster for 2018

Thanks so much to the Justads for hosting our election meeting/pizza party. The weather was not very nice; we didn't even go out to the garages, can you believe that!?

Regarding the 2018 SDC International Meet, things are moving along, and we should have registration forms and schedules available in January. Committees will start connecting and planning in the first couple of months of 2018 as well. Bob has told me that we need someone to volunteer to set up the bus tours via Bee Line tours. I didn't get any volunteers at today's meeting, but if someone out there is interested, drop me a line.

As I am writing this prior to Thanksgiving, I hope everyone has a wonderful Thanksgiving Day and I look forward to seeing many of you at the Christmas party on December 9th.

Warm wishes!

Laurel

Greetings fellow Studebakerites,

We had our November elections on Sunday, November 12th and here are the results:

President: Laurel Berry

SECRETARY'S SCRIBBLES

The Election Meeting on Nov 12th at Odd and Greta's beautiful home was very nice and relaxing. We had a dozen Studebaker enthusiasts in attendance. President Laurel held the election meeting, and she is willing to keep her office for 2018 - Thank you, Laurel. Mary West will be VP again in 2018. Bill Hallett has been the Secretary for more than five years, and was ready to surrender his post. Fortunately, Don Andersen volunteered to take over as Secretary!

Thank you, Don, you will be a great scribe. Eric Larsen managed to get the day off from work in order to attend the meeting, and passed on the job of Treasurer to Greta Justad. Greta will now be taking over all fiscal responsibilities for the Seattle Chapter Studebaker Drivers Club, including the account with U,S, Bank We figure Eric had that job for more than 10 years! Thank you Eric, for all those years of service. Odd said he will continue to be the "temporary" Editor extraordinaire. All nominees were elected unanimously.

A security issue with names and addresses was also brought up. See page 4 for more details

After the meeting we had our meal consisting of three delicious kinds of Pizza, and Myrna Walker brought her special treat Pancit. In the Philip-pines it is served for special occasions. As it turned out, Don Andersen has a Birthday this next week, so it was quite appropriate.

Happy Thanksgiving,
Mary West for Bill Hallett

SECURITY ISSUE

During our November election meeting a security issue was brought up. This is in regard to the fact that officer's names and addresses, both physical and email, are published in the newsletter each month.

Apparently several phishing attempts have been made, especially with the treasurer. Too bad we have to deal with these kind of crooks.

One suggestion was to delete email addresses and maybe also physical addresses from our club's officer list. Maybe substitute phone numbers instead. Question, "should this also include the Zone officers?"

In many ways this will cause some headaches for people trying to contact the club. Also some physical addresses cannot be omitted, as for the treasurer. Dues have to be mailed in. And I don't think street addresses will be much of problem. It is the email addresses the crooks want.

As editor, I plan to publish a new member list in the near future, which will have all addresses and phone numbers included. This will be sent only to members and should not be published on the internet.

Another solution to the problem would be to discontinue the publication of the local newsletter on the internet. Do we really want everybody to read our newsletter without paying dues. Turning Wheels is not published on the net to my knowledge.

Hopefully we can discuss this in more detail during our January meeting. In the meantime I will delete the email addresses for our local officers only and substitute phone numbers if I have them.

STUDEBAKERS TOURING THE WHITE MOUNTAINS

Sunday the 13th, of May 2018, is registration day and welcome night dinner with a meeting.

Monday the 14th, is a full day tour to the Painted Desert and Petrified Forest with coffee & snacks just before entering the park. Half way through, around Blue Mesa, go to the north end for lunch. Here if the cafe is full, tour the museum at the same location, after lunch, those that have not done the Painted Desert tour, do so now, then start back tracking the way you came in. If you have a Golden Age Passport, be sure and bring it along with your camera. At the entrance you came in, there is also a great museum and rest rooms there.

Tuesday the 15th, scenic drive to a location that has an overlook that you can see New Mexico from there. Large parking lot that we should all fit in. Coffee, drinks & snacks here. Restroom also located here. Then we back track about 5 miles, turn left to the X Diamond Ranch and the Little House Museum and an archaeological site is also at this location. We will have lunch supplied here also. On the way back, keep a watch for the Blue Ridge School on the right, just past the school look for a small shopping center that has the WSM theater, next to the theater is homemade ice cream store. To be fair, your first cone is free. If you want anything with the cone, that would be at your cost.

Wednesday the 16th, tour to Payson, Arizona, this is our Pit Stop and coffee, drinks & snacks just before starting down the Mogollon Rim, on the left is a large parking lot and restrooms. There is a great overlook here that if you do not stop and view this you have missed a great one. Be sure to have your camera. There is an information center here that you will also want to check out. Then on to Payson and visit the Zane Gray Museum and the Payson Museum, then on to the park for a great lunch put on by the Rim Country Auto Club. They are serving hamburgers, hotdogs, and all the fixings, soda, water, chips & whatever. Guaranteed to fill you up. After lunch, we'll head for the Tonto Natural Bridge, again, be sure and have your camera, then on your way back to Show Low you would want to stop at the fish hatchery. This will be your longest day, and a day you will be talking about for a long time.

Thursday the 17th, another scenic drive, part of it you did on Tuesday, at the Hon-dah Casino, coffee, drinks & snacks here, then make a left on 73 south to Whiteriver and Fort Apache, on May 16th 1870 this was an Army Post. And remained so until 1922, it was then an Indian Boarding School. Located another 4 miles west are the Kinishba Ruins. Hopi & Zuni Indians lived here from about 1200 to 1400 AD. Subway snack lunch available here. After leaving the ruins, continue west on Rt. 73 and turn left onto Rt. 60/77, this will a little hair raising drive, good roads & etc., just the scenery is amassing, you will go down a canyon at least 1000 ft. There are overlooks that you can pull off for pictures. Go to the bottom and up the other side to the first large pull out, we will try to have drinks & snacks here also. On your way back to Show Low, just stay on Rt. 60/77 and you will end up back on the main drag in Show Low.

Friday the 18th, Tour of the Show Low Museum, close by we will visit the monument of Marion Clark & Corydon Cooley and learn how the town was named by the turn of a card. On leaving there go left back to K-mart for coffee, drinks & snacks. On to a friend's tractor and hit & miss engine collection. All just like brand new. Leaving here we will turn right out of Bob's drive, travel about 2 miles and for Gold Hill Dr., first building on left is Kent McQuillan's model T Ford shop. He has a small collection of Model T's. Worth looking at. then move on to the Studebaker Ranch, tour the cars & shop, have lunch, spend the rest of the afternoon at the ranch visiting with friends. This change will give you more time for lunch and relaxing after a fast week.

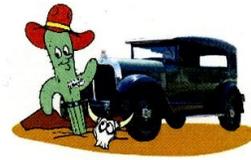

Then the closing Banquet at the Show Low Café, seating about 5:00 P M, 1700 hours, serving about 6:00 P M, 1800 hours

This is Malcolm , We have been on one of his tours before as an ASC meet. His place is quite something and if you have a chance, this is the tour for those who like touring. 6 days worth, longer than the international meet.

The Washington

President

Here is the summer version of last month car. **Bjering** was the name of an automobile type constructed by Hans C. Bjering in Gjøvik, Norway. The car had an unusual tandem-arrangement of its two seats and an air-cooled V4 engine. Its small width made the vehicle capable of driving in the narrow track left by the snow plough in the Norwegian roads during winter. Only six were

built (four with the engine placed in the middle, and two with engine placed at the rear) between 1918 and 1920
