

## The President's **STEERING COLUMN**

Hi everyone, first of all I want to thank Don and Joan Anderson for hosting the January meeting. Also, I want to thank everybody who helped fill up the calendar for the year. It sounds like we are going to have a busy and fun year for 2019.

I came up with an idea to somehow get new members. We need some P.R. work. My idea was a food drive or money for Northwest Harvest for King 5 in December. That would give some TV exposure. We would show up in our cars to one of the drop offs. Kenny Durkee suggests having some flyers to hand out at car shows. Tim Phillips said use business cards to hand out. Jeff Jennings suggested putting an ad in church bulletins. I am open to everyone's input and ideas.

Hope to see you all again on February 10, 2019 at 1pm in Roadhouse Inn in Fall City, (at the corner of Redmond Fall City Road and Preston Fall City Road).

Thanks,  
Jerry

*Still a few of you have not paid their dues yet.*

*Your dues are due, and for a mere \$12 you will continue to receive this marvelous magazine for another year. Greta will be happy to take your money. See page 11 for address.*

*SECRETARY'S SCRIBBLES*

The first meeting of 2019 for the Seattle Chapter of the Studebaker Driver's Club was held on Sunday, January 13th at our house in Kent. Twenty people were in attendance and 3 Studebakers were driven. We shared pizza, salads, etc. for lunch and then a meeting was held with our new President, Jerry Walker, presiding, detailed elsewhere in this newsletter. A plan of activities for 2019 was set and much discussion about attracting new members followed after the 2019 plan was completed. We had one new member in attendance and Odd reported that other new members had signed up.

my new car, a '32 President Model 91 sedan. I am starting to do some of the needed work on the car, but still learning exactly what it is that I bought. It is the first car I've ever owned that has attracted callers from across the country wanting to buy it. I have not had that before, in fact, there have been times when I haven't had anyone interested when I have been advertising a car for sale.

Our February meeting will be at the Fall City Roadhouse. See elsewhere in this newsletter for details about that as well.

Prior to the lunch, we did some tire kicking and jaw boning. There was quite a bit of interest in

God Bless, Don Andersen, Secretary

I am happy to report that we acquired 3 new members in the last couple of months. In no particular order we have:  
 Arlyn (Ike) and Janice Boone from Issaquah. They have a 1957 Golden Hawk  
 Fred Pabst & Christine Cannestra from Bainbridge Island. They have a 1961  
 Gary Smithers from Edmonds. He has a 1956 Power Hawk  
 You are all heartily welcomed to our club and we hope to see you at the meets, hopefully with the cars.

I will (hopefully) shortly put out a preliminary club roster. It will be updated later after all renewals are in. In case you wonder if you have renewed it will be a 19 (or higher) number after your name..

### CARS FOR SALE

58 Studebaker Scotsman sedan. Bill McKivor 206-244-8345.

Found in a barn in Oklahoma, someone took it all apart as it was rust and dent free, and did a frame off restoration. My assessment is that the broken odometer was probably right, the car had 48,000 on it. That anyone would do a frame off on a Scotsman rather amazed me, but--- Anyway, something happened to the fellow who did it, it was 80% done, and his family sold it to a man in Texas. It had not been completely put back together, though a heater was found, it has turn signals, chrome bumpers, and a really nice purple and white interior. The exterior was also painted purple, the car looks surprisingly nice. The prep on the exterior paint was not good, and I kept it outside and inside and used the car for everything. The purple exterior is peeling, and will cover it a bit better, good prep work, then a repaint. And, NO trim to take off!!

It runs wonderfully, the 6 cyl flathead drips a bit (find one that doesn't), it has a never fail manual choke (love those), and the car is super dependable. Starts right now, every time. Currently has 14" tires and rims, but a set of 15"( rims only) can come with it if desired. Just installed new brakes, wheel and master cylinders, and it is ready to go. I put in a new gas tank when I got it, and it runs like a deer. Also, it needed gauges and a speedometer, borrowed them from my 57 parts car, I think they all work now,

and I have the 58 bezels to put in gauges that came in the car. It also has new glass all around, (excepting the front door wing windows) with all new seals. It does not leak a drop of water. I was going to use it as a great grocery getter, but have too many cars. It will be inexpensive, \$7500 covers my cost, I think, so let's call it that. Where else can you get a frame off restoration for that money? Finish to taste---

57 Studebaker Silver Hawk.

Never a dent, never any rust, the chrome and stainless all original and never restored---even the wheel covers and the exhaust tips are original on the car. Exterior was painted in 1995, all with correct colors and paint. The interior all original, radio worked until recently, it tries, but needs a diode or something. Heater is fine. Car was always stored in heated garage at a dealership, up to 1995. There is not even a crack in the steering wheel. The seats were repadded, over padded, really, and are super comfortable, and the last owner had custom covers made that look like Studebaker to the unpracticed eye. All running gear is original, 289 V8, Stick shift, overdrive--- I put in new valve guide seals, and a rebuilt Carburetor---all the motor needed.

My only change to the car was to put

in front disk brakes, so it has a dual system, and stops on a dime now, straight ahead. Done for safety, and no one knows the difference to look at it. The exterior and interior, and all chrome and stainless, are very nice and it shows well. All interior parts original except the seat covers. Odometer was not working, and last owner replaced it, with one with higher

miles. His estimate, and mine, is that the car has 90K on it, over 70K by the original owner, who used the car. The history of the car is compelling, it never was stored, always used a bit. I drive it often. In 2012, at the Can Am, had it judged, it gained 378 points out of 400. I have the judging sheet. The Hagerty insurance folks came out and checked this car over, it is valued in the book at \$38,500, I put \$35,000 insurance on it, and we can talk about it. One other estimate of value came out at \$35,000 as well, done 4 years ago. You will never find a nicer nearly unrestored stock Silver Hawk. Bill McKivor 206-244-8345

Club member,

A good friend of mine recently passed away from cancer, and his widow would like to sell his 1968 Studebaker to pay some bills. It is a beautiful convertible car that is in good running condition. We would like to list it, and hoping to get some advice on the value, and best place to list it for sale. The car is located in Chelan Washington. Any advice you could give would be greatly appreciated. A few pictures are attached.

Thank you,
