## October 2021

Greater Seattle Chapter SDC Founded in 1969

Volume 51 Number 10

There was no meeting of the Seattle Chapter in September. Our activity for the month was a car show at Black Diamond. It was an interesting show with maybe 100 cars, but I only saw 3 Studebakers. Jeff Jennings showed his '39 President sedan and was the only other person from our Chapter that I saw there. Donovan told me later that he attended and met up with Bill to tour the show.

I was told by his son, Ted, that Roy Barker had passed away in the spring of this year. Roy was a long time member of our Chapter, but was ill for several years before passing. Roy restored several Studebakers including the one his son was showing at this car show.

When I talked to Donovan about his attend-

ance at this show, he said that he still has lots of Studebaker parts to sell including, but not limited to, fenders and doors. If you need any parts for '50's and '60's Studebakers, talk to Donovan.

Our October activity is the annual Fall Colors Tour. This years tour is being organized by the North Puget Sound Chapter. Details of date, time and start location are elsewhere in this Newsletter.

God Bless, Don Andersen Secretary

We were also at the show and counted 4 Studebakers, including our new member Ronald

> Bunn's Hawk pictured here. We also met Jeff owners as well. And we did drive Honeybun (40 off the field

### OCTOBER FALL COLOR TOUR

When: Sunday October 17 10:30 am
Where: Woodinville Park and Ride lot

17800 140th Ave NE, Woodinville, WA 98072

The North Puget Sound Chapter will be hosting this year's Fall Colors Tour. The tour will be Sunday October 17. The tour will start from the Woodinville Park and Ride lot at 10:30 AM. We will stage in the east lot beginning at 10:15 AM (third right on NE 179th Street when entering from 140th Avenue NE, or first right when entering on NE 178th Place from NE Woodinville-Duvall Road). From Woodinville, we'll head east to the Snoqualmie River valley, then north to Monroe for our first temporary stop to regroup. We will then leave Monroe and drive the backroads of Snohomish County to Granite Falls, where we will tour the Granite Falls Historical Museum. After the museum, we will have lunch just two blocks away at Buzz Inn. This should be a very picturesque trip, since the stage from Monroe to Granite Falls is rural and heavily wooded

# The Sad News Pages

I am sorry to announce several sad news this month. Just found out that three of our members (present or previous) have passed away.

Just now found out that Roy Barker passed away February 12 this year, but just learned about it this month. He belonged to the club for many years but had to discontinue his membership a few years ago due to illness. To my recollection he at one time owned 3 1922s, one 1927, a 40 President coupe and a 1955. Most of these he acquired as total basket cases. The third 22 he made since he had enough parts left over to make the third. He was an exceptional body man and helped me on

Here is Roy with his '22 (The editor and wife next to him)

numerous occasions on body work. is missed.

He

Allan DePrey passed away August 30 after a tough breakthrough bout with COVID. Allan was not a member of our local club. But a lot of us knew him from all the meets So I am including him here in our local letter

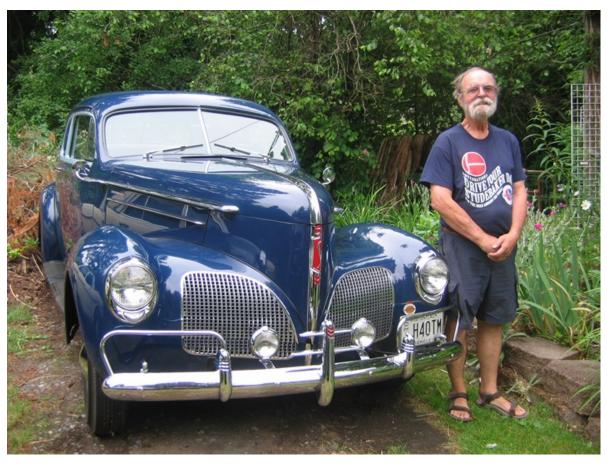

Then I got this message from Vickie Gibbs on September 8:

I am sorry to inform you that Scott Gibbs passed away yesterday 9/7/21. He owned one Studebaker or another since 1965. Poor health prevented him from being very active in the clubs but he truly enjoyed every event he was able to attend especially the Tacoma International meet. He even had our names engraved on our first place plaque.

Vickie

Then I got a follow up message:

Since I never learned to drive the Studebaker, I intend to sell it. I would prefer to sell it to a Studebaker fanatic but it is such a nice car I am sure it could turn anyone into one

# Boy, what a keen car this new Studebaker Champion is!

#### YES, AND IT'S PRICED WAY DOWN LOW, TOO!

YES, fellows, this handsome new Studebaker is a *real* Champion not only in name but in low upkeep cost and gas economy.

That's right. On January 4, this year, a stock Studebaker Champion, with overdrive at added cost, won first place in its class in the famous Gilmore-Yosemite Gasoline Economy Run. It traveled 306 mountainous miles in stormy weather and

averaged 29.19 miles per gallon!
You shouldn't expect such mileage as that, of course, because expert drivers piloted the Champion and the other lowest price cars which it defeated. But the Champion did prove, under strict American Auto-

mobile Association supervision, that it's easily 10% to 25% more saving of gasoline than the 3 other large-selling lowest price cars.

Your dad can buy this marvelousperforming Studebaker Champion for the same small amount he would have to pay for one of the ordinary lowest price cars. Ask him to go with you to your local Studebaker dealer's and drive this Champion 10 miles and then hear him say it's the safest, most surefooted, most comfortable car he ever drove.

This Studebaker father instructs his son in the fine points of Studebaker craftsmanship. This is one of the many father and son teams for which Studebaker is famed.

# STUDE STUFF FOR SALE or wanted

In cleaning out his old place to get re- settled in his new place, Don Albrecht wants all Studebaker fans to come look through his extensive collection for anything you might need.

Most of his parts are for 60s vintage cars and pickups but there's also stuff for 50s era Studebakers. Please call him at 425.522.4294 at his place, or his cell, at 425.417.7644.

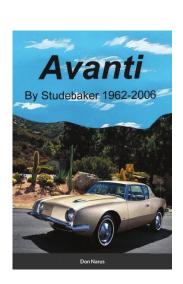

Seriously, these parts have to go!

Tom

.S. please pass this onto any Stude fans you know!

#### 59 Studebaker pickup: |

I have a 59 4E1-112 Ser E1203-8 complete except for engine and trans. I have the v8 engine I believe came out of it though it is seized up. There are Chevy motor mounts. It is a solid specimen with small rust spots in normal places. Grill and tailgate are perfect.

I think it might be worth \$4000. My friend paid just shy of \$3000 in 2010. If someone is interested in correct numbers I'm pretty sure the engine is the one that came out of it. I also have the name of the guy he bought it from who was, I am sure, a Stude club member. But I will consider any reasonable offer. I am in Des Moines just South of SeaTac airport if anyone wants to look at it.
